REMARKS

i. Response to Election of Species Requirement

Applicants hereby elect the species set forth in category (f) of the Office Action, i.e., the drug in the drug formulation being albuterol sulphate. It is believed that the following claims are readable on this elected species: 1, 3, 11-81, 89-116, and 124-125. This election is made without traverse in that Applicant believes that the species are patentably distinct.

ii. Amendments

Claims 3, 11, 89, and 124 have been amended to consistently recite albuterol being employed as one possible drug. In particular, Claims 3, 89, and 124 all previously recited both albuterol and salbutamol in a Markush group. Such an amendment is not made in view of the prior art, and is set forth to merely clarify the claimed subject matter.

Examination on the merits is respectfully requested.

Respectfully submitted,
